

# Kick-start your career in the USA

## About us

**Maja Schröder**

Maja has more than 20 years of international recruitment experience with a focus on coaching hospitality talents. She has used her extensive language and MICE industry skills to facilitate traineeships for graduates of hospitality schools worldwide with elite private country clubs and residential communities in the U.S.

**Craig Martin**

Craig served as Chief Operating Officer and General Manager of St. Andrews Country Club from 2007 until 2019 when he retired to launch Club Leaders Group. He is a 40-year veteran in the hospitality industry whose diverse professional background includes several world-class 5-star resorts, hotels, private clubs, residential developments, and real estate projects.

## 12-MONTH HANDS-ON TRAINEESHIP IN THE USA

ClubLeaders  
Group 

# 1-year hands-on traineeship

## We look for

Dedicated young hospitality professionals with a strong focus on Food & Beverage or Culinary Arts

## We offer

### Private club sponsored student J1 visa

- 1-year hands-on traineeship
- Free, fully furnished accommodations (2-bedroom apartments for 4 trainees/3-bedroom apartments for 6 trainees)
- Basic health insurance
- Complimentary employer-provided transfers to/from work
- Complimentary meals while on duty
- Employer-provided uniforms and accessories\*

### You learn

- Practical hands-on American-style service experience
- Fundamentals and refined techniques of highly personalized service
- Rotation into various departments for highly motivated trainees

## The program

After completion of a hotel school degree, Club Leaders Group personally selects highly motivated graduates dedicated to the hospitality profession with a passion to gain practical hands-on American-style service experience.

We offer a unique opportunity to learn the fundamentals and advanced techniques of personalized service in a prestigious private club environment.

In an 8-month time frame students will have the chance to demonstrate their initiative, innovation, and commitment to learning about American food and beverage service from the ground level.

In addition, Club Leaders Group will ensure regular theoretical classes are provided highlighting the various departments within the private club community. Participation in these classes will help management form an integral overall evaluation of trainees.

“Over 800 international trainees have successfully completed our training program.”

## Why choose us

Since 1996, over 800 international trainees have successfully completed our training program. Trainees are paired based on their interest in gaining hands-on experience in the following fields:

- ✓ Food & Beverage
- ✓ Culinary
- ✓ Golf Operations
- ✓ Administration
- ✓ and many more!
